Step 3. SNOW BOOSTER / INTENSIVE PROBLEM CONTROL TONER

Step 4. EZ CO2 Mask – Pre-needling carboxy treatment

Option. Microneedling with SRS – Fractional peeling

Step 5. Microneedling with Power Solutions – AWS. HES. SWS . PCS / CTS.CVS – Cocktail method

Step 6. PEPTIDE GEL MASK with GENOLED IR 2 - Post needling treatment

Step 7. SOOTHING REPAIR POST CREAM / CREAMS

Step 8. MULTI SUN CREAM / ULTRA SHIELD SUN CREAM

Step 9. INTENSIVE BLEMISH BALM CREAM

Post care - MICROBIOME ENERGY INFUSING MIST(DURING THE DAY) – Prevention of TEWL

GENOSYS – Gene Re-birth System

PRODUCT INTRODUCTION

STEP 1. SKIN DEFENDER LIP & EYE MAKEUP REMOVER

[NET WT. 200ml]

SKIN DEFENDER LIP & EYE MAKEUP REMOVER

Concept

GENOSYS SKIN DEFENDER LIP & EYE MAKEUP REMOVER is a fresh, non-greasy lip & eye makeup remover. Biphasic layer of essence layer with vitamins and firming peptides and oil layer with a strong cleansing power turn into emulsion which cleans the delicate lip and eye area without irritation.

[NET WT. 200ml]

- Skin caring formula for sensitive lip & eye contour area
- Strong cleansing power
- Non-oily, non-greasy, refreshing
- Without stinging or irritating eyes

SKIN DEFENDER LIP & EYE MAKEUP REMOVER

Base Formula

Oil phase 5: Essence phase 5

A biphasic formula with a refreshing finish as the oil layer removes makeup thoroughly and the essence layer leaves only moisture.

Beta-Carotene

Carrot Seed Oil

Hippophae Rhamnoides Oil

Sunflower Seed Oil

Tocopheryl Acetate

[Oil Phase]

Palmitoyl Tripeptide-5

Acetyl Tetrapeptide-5

Carrot Root Extract

Broccoli Extract

Vitamin Complex

[Essence Phase]

SKIN DEFENDER LIP & EYE MAKEUP REMOVER

How to use

Shake well before use. Apply with a cotton pad to lip and eye area and hold for few seconds. Then, gently wipe off the makeup.

- The color of the product is the natural color of ingredients and no artificial pigment is added.
- Natural color may fade when exposed to continuous light or heat. It is a natural phenomenon and it doesn't affect to the product effect.

SKIN DEFENDER LIP & EYE MAKEUP REMOVER

Key Ingredients

Palmitoyl Tripeptide-5
Vita 10 Complex

Firming

Acetyl Tetrapeptide-5

Anti-puffiness

Saccharide Hydrolysate
Vita 10 Complex

Antioxidant &
Skin brightening

Carrot Root Extract & Seed Oil
Brassica Oleracea Italica (Broccoli) Extract
Beta-Carotene
Hippophae Rhamnoides(Seaberry) Oil
Helianthus Annuus (Sunflower) Seed Oil
Tocopheryl Acetate

SKIN DEFENDER LIP & EYE MAKEUP REMOVER

Skin Defender Peptide Complex

- Palmitoyl Tripeptide-5: By boosting collagen synthesis and inhibiting collagen degradation, it visibly impacts skin's firmness and helps smooth the appearance wrinkles.
- Acetyl Tetrapeptide-5: With excellent anti-oedema and anti-glycation effects, it helps improve puffy bags under eyes. It also helps improve dark circles.

Saccharide Hydrolysate

- Obtained by enzymatic hydrolysis of Schisandra berries
- Rich in peptides
- It unifies the skin tone by reducing the melanin synthesis.

SKIN DEFENDER LIP & EYE MAKEUP REMOVER

Vita 10 Complex

- Vitamin B1, B3, B5, B6, B9, B12, C, E, F, H
- It improves skin tone, dark circles and redness.
- It promotes collagen synthesis.
- It protects skin from oxidative stress.
- It soothes and moisturizes the skin.

Hippophae Rhamnoides Oil

- As a good source of antioxidants such as vitamin A, C, E, it helps fight free radicals and prevent cell damage.
- Rich in the unsaturated fatty acids such as gamma-linoleic acid, it helps regenerate skin, making skin healthy.

SKIN DEFENDER LIP & EYE MAKEUP REMOVER

Beta-Carotene

- Vitamin A precursor
- As a powerful antioxidant, it helps protect cells from free radical damage.
- It helps prevent skin aging caused by UV rays from the sun.

Tocopheryl Acetate

- Vitamin E derivative
- It offers significant antioxidant benefits for skin, including defending skin from pollution and other environmental stressors that lead to signs of aging.

SKIN DEFENDER LIP & EYE MAKEUP REMOVER

Daucus Carota Sativa (Carrot) Root Extract & Seed Oil

- Rich in carotenoids, vitamin A, vitamin E, potassium
- It helps protect skin from free radical damages.
- It helps soothe the irritated or damaged skin.
- It improves skin texture and firmness.

Brassica Oleracea Italica (Broccoli) Extract

- Rich in antioxidants, it protects skin from UV rays and free radical damage.
- As a good source of vitamin A, it helps brighten and even skin tone.
- It has an excellent anti-inflammatory effect.

STEP 2. SNOW O₂

[Homecare - NET WT. 180ml

Professional - NET WT. 500ml]

SNOW O₂

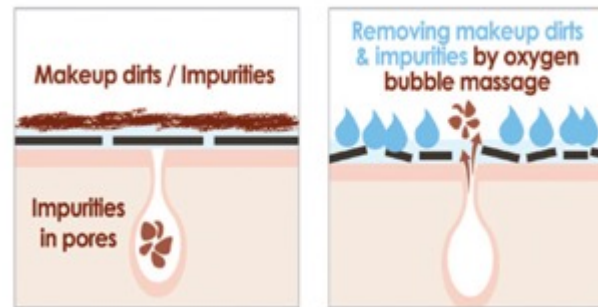

Concept

GENOSYS SNOW O₂ is a gentle and effective cleanser which gives an excellent treatment sensation. Naturally generated oxygen bubbles clean make-up dirt and skin impurities without excessive cleansing movement and irritation to skin.

[Homecare - NET WT. 180ml]

[Professional – NET WT. 500ml]

- Deep cleanser
- Fine and powerful oxygen foam massage removes waste from the deepest part of pores
- Skin with fatigue is revitalized

SNOW O₂

Effects

How to Use

1. Apply it to your face evenly except for eyes and mouth. Can be used to body also.
2. Then, creamy oxygen foams are produced. (If your skin is damaged or stressed out, foams may feel sharp. However, this is normal as your skin is being cleansed.)
3. When foams are fully generated, massage your face gently and rinse them with tepid water. You may do this with your makeup on. (Clean up completely or foams can take place continuously.)

SNOW O₂

Soy Isoflavones

- A type of phytoestrogen from soy beans .
- It has anti-aging effect and helps to make your skin smooth.
- It improves skin elasticity, texture and resilience.

Phytolex SC

- Complex of herbal extracts - Phaseolus Radiatus(Mung Bean) Extract, Betula Platyphylla Japonica(Japanese White Birch) Bark, Rumex Crispus(Curly dock) Root Extract
- It comfortably relieves skin irritation and inflammation.

SNOW O₂

Angelica Polymorpha Sinensis(Dang gui) Root Extract

- With excellent anti-inflammatory properties, it helps soothe redness and irritation.
- It protects skin against free radicals.

Pueraria Lobata Root Extract

- A good source of isoflavones, genistein, and daidzein (phytoestrogens)
- It protects skin from oxidative stress.
- It has antibacterial and anti-inflammatory actions.

STEP 3-1. SNOW BOOSTER

[Homecare - NET WT. 200ml

Professional - NET WT. 1000ml]

SNOW BOOSTER

Concept

GENOSYS SNOW BOOSTER is a daily toner used for all skin types that contains various botanical extracts to moisturize and soothe skin. It helps refining the skin with balancing pH level after cleansing.

[Homecare - NET WT. 200ml]

[Professional – NET WT. 1000ml]

- Moisturizing
- Astringency and pore contraction effects
- Anti-inflammatory effect
- Regulation of sebum secretion

SNOW BOOSTER

Lactobacillus/Pumpkin Ferment Extract

- It helps exfoliate skin gently and soften skin texture.
- It has phytochemicals which have an antioxidant action to protect skin cells against oxidative damage.

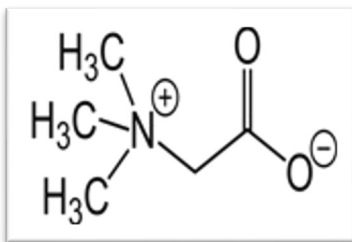

Phytolex SC

- Complex of herbal extracts - Phaseolus Radiatus Extract, Betula Platyphylla Japonica Bark, Rumex Crispus Root Extract
- It comfortably relieves skin irritation and inflammation.

SNOW BOOSTER

Betaine

- It brings superior hydration to the skin.
- With excellent anti-inflammatory properties, it helps reduce redness and irritation.

Nelumbo Nucifera Flower Extract

- As an antioxidant, it helps neutralize oxygen free radicals to protect skin from oxidative stress.
- It has calming and soothing properties.
- As a good moisturizing agent, it improves skin's moisture balance.

STEP 3-2. INTENSIVE PROBLEM CONTROL TONER

[Homecare - NET WT. 200ml

Professional - NET WT. 500ml]

INTENSIVE PROBLEM CONTROL TONER

Concept

GENOSYS INTENSIVE PROBLEM CONTROL TONER helps remove excess oil and sebum and provides excellent antimicrobial and anti-inflammatory effects for acne-prone skin while adding quick hydration to skin.

[Homecare - NET WT. 200ml]

[Professional – NET WT. 500ml]

- Non-comedogenic
- Anti-blemishes
- Sebum control
- Astringent
- Soothing and cooling effects
- Subacid formula that restores the pH balance of your skin

INTENSIVE PROBLEM CONTROL TONER

Non-Comedogenic

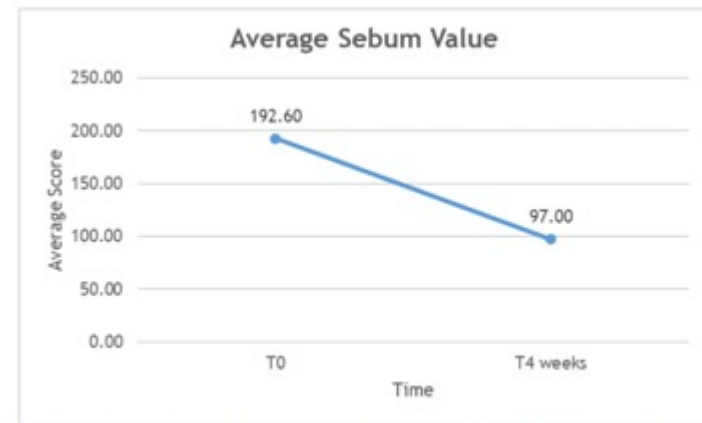

GENOSYS INTENSIVE PROBLEM CONTROL TONER is certified as a non-comedogenic product suitable for acne-prone skin due to its low possibility to cause pore blockage (comedone) and breakouts.

* Tested by QACS Ltd.

Clinical Trial

After using GENOSYS INTENSIVE PROBLEM CONTROL TONER for 4 weeks, the amount of sebum decreased by about 50%.

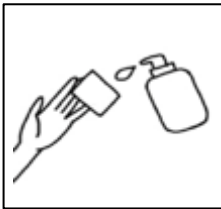

Graph 1. Graphical representation of the average sebum measurements before and 4 weeks after product's use.

INTENSIVE PROBLEM CONTROL TONER

How to Use

Wiping with toner

To remove dead skin cells / residues after washing the face
→ Soak the cotton pad with toner and wipe it along the skin texture.

Using as DIY mask

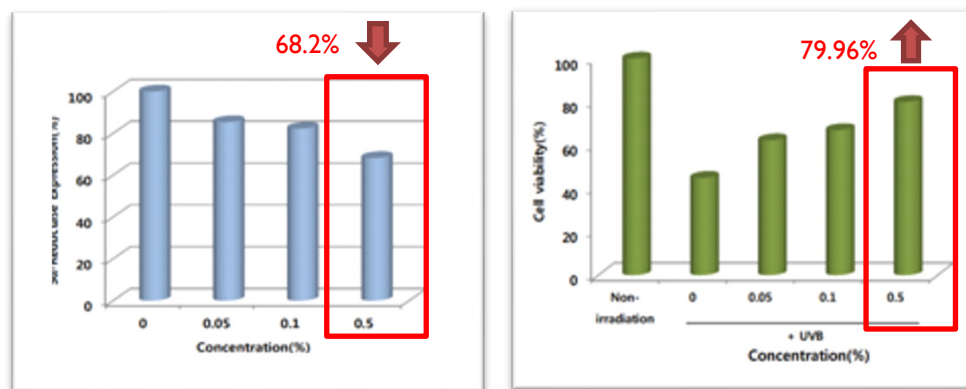

To enhance the pore contraction effect and to soothe the skin
→ Soak the cotton pad with toner and apply them to the face. Leave them on for 5-10 minutes.

INTENSIVE PROBLEM CONTROL TONER

Anti Sebum P

- A patented complex of botanical extracts to contract pores and control excessive sebum secretion. (Complex of Ulmus Davidiana(David elm) Root Extract, Pueraria Lobata Root Extract, Oenothera Biennis(Evening primrose) Flower Extract, Pinus Palustris(Longleaf pine) Leaf Extract)

- Inhibition of 5 α -reductase that stimulates sebaceous glands → Sebum inhibitory effect
- Increased cell viability after UV irradiation → Cell protective effect by UV protection

INTENSIVE PROBLEM CONTROL TONER

Tea Tree Extract & Tea Tree Leaf Oil

- Tea tree helps to prevent and reduce acne with its antiseptic, antimicrobial and anti-inflammatory properties.
- It combats oily skin, helping to remove excessive surface oils without over drying the skin.
- It relieves irritated skin and helps reduce acne-causing bacteria on the skin.

Rosmarinus Officinalis (Rosemary) Leaf Extract

- With antimicrobial, antifungal and anti-inflammatory benefits, it calms the skin by reducing inflammation and fights a bacterium that causes acne breakouts.
- It is a well-known antioxidant.

INTENSIVE PROBLEM CONTROL TONER

Zinc PCA

- It inhibits the proliferation of propionibacterium acnes and staphylococcus epidermidis.
- It has anti-seborrheic effect.
- It reduces sebum secretion by inhibiting 5 α -reductase.

Tannic Acid

- As a natural astringent, it helps remove excess oil from pores without drying out the skin.
- It has antimicrobial, anti-inflammatory and antioxidant properties.

INTENSIVE PROBLEM CONTROL TONER

Salicylic Acid:

- As a fat-soluble beta hydroxy acid (BHA), it penetrates follicles to break down oil build-up, reducing and preventing pore blockages.
- It promotes exfoliation and removes flaking/sebum remnants.
- It has antimicrobial and anti-inflammatory properties.

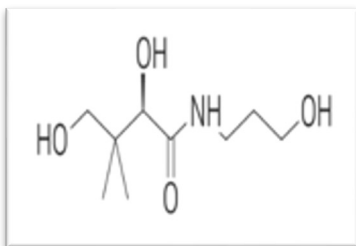

SNOW ICE

- Complex of Menthyl Lactate, Ethyl Menthane Carboxamide, Methyl Diisopropyl Propionamide, Caprylic/Capric Triglyceride
- It cools down the skin heat and decrease skin surface temperature by activating TRPM8, a cold sensing TRP channel that has prominent role in the sensing of cold temperatures and maintaining core body temperature.

INTENSIVE PROBLEM CONTROL TONER

Panthenol

- Provitamin B5
- It provides deep penetrating moisture to skin.
- It reduces itching and inflammation of skin.

Hyaluronic Acid

- Natural Moisturizing Factor (NMF)
- It strengthens skin's moisture barrier with its enormous water-binding capacity.
- It protects skin from the external environment.

Step 4. EZ CO₂ MASK KIT

[1 Box: 5 treatments
1 Treatment: Gel (20g) + Sheet (12g)]

EZ CO₂ MASK

Concept

GENOSYS EZ CO₂ MASK is a catalytic mask for the best microneedling effect. It activates and prepares skin so that the skin can absorb effective ingredients which will be penetrated with rolling. And it improves overall skin conditions through the mechanism of Bohr Effect.

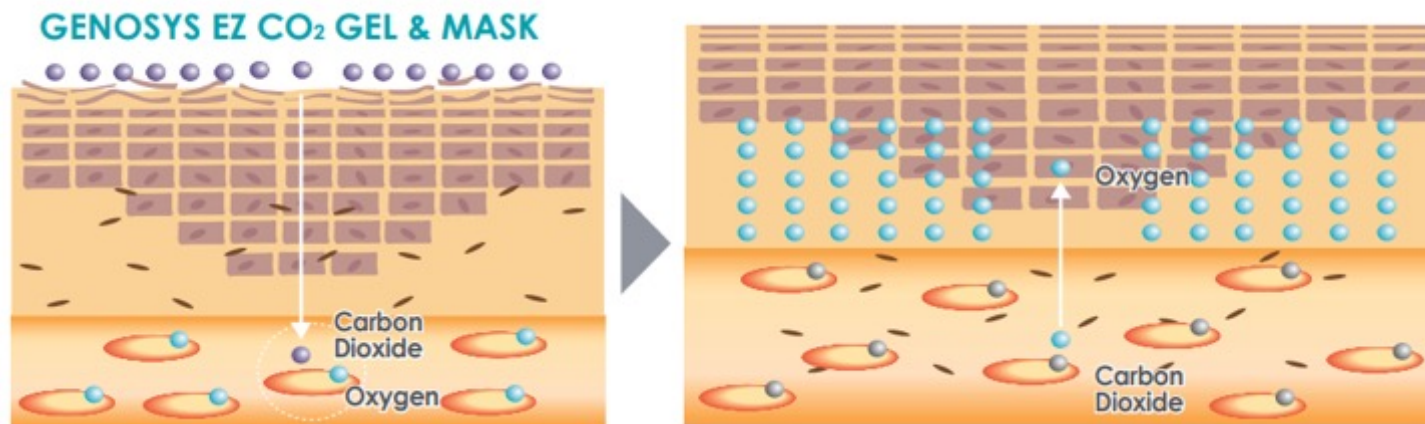

- Improves blood circulation
- Brightens skin tone
- Improves skin texture
- Provides an anti-inflammatory effect
- Provides a partial slimming effect

[Gel(20g) x 5ea / Sheet(12g) x 5ea]

EZ CO₂ MASK

Mechanism

Fine particles of CO₂ which are generated by contacting the gel and the sheet mask of EZ CO₂ MASK KIT accelerate the delivery of more oxygen to skin tissues. This action prepares skin optimally for GENOSYS microneedling treatment.

CO₂ is absorbed mainly through tissue fluid. It easily reaches vessels, and even muscles and nerves.

CO₂ dilates vessels and increases blood flow. It also increases oxygen release from hemoglobin (Bohr Effect).

EZ CO₂ MASK

How to Use

1. Cleanse and dry face thoroughly.
2. Open a gel tube, apply gel to face by using a spatula.
3. Open pouch and apply the mask to face. (Coated side upward)
* Intensive sparkling can occur immediately after applying the mask. However, it will be gone after 20-30 seconds.
4. Leave on face for 5 to 10 minutes.
5. Remove the mask and cleanse face gently.

Option. SKIN RENEWAL PEELING SYSTEM (SRS)

[1 Box: 10 vials (2ml)]

SKIN RENEWAL PEELING SYSTEM

Concept

GENOSYS SKIN RENEWAL PEELING SYSTEM (SRS) is a professional peeling system for smoother, brighter and more even skin tone.

Naturally occurring acids found in fruits and other foods help remove dead cells on the surface of the skin, encouraging cell turnover and bringing new healthy cells to the surface.

Indications

1. Uneven skin texture
2. Hyperpigmentation
3. Acne
4. Fine lines
5. Wrinkles

SKIN RENWAL PEELING SYSTEM

Concept

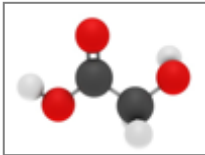

Hyaluronic
Acid

SKIN RENWAL PEELING SYSTEM

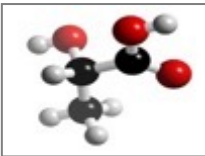

Key Ingredients

"Naturally occurring AHA complex"

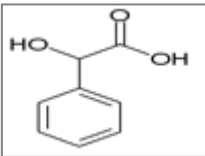

Glycolic Acid

- Safely removes dead surface cells and brings fresh new skin to the surface.
- Stimulates the collagen and elastin fibers in the dermis, improving the appearance of wrinkles and other forms of sun damage.

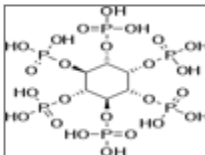

Lactic Acid

- Improves skin's overall texture by moisturizing, sloughing off dead surface cells and promoting collagen production.
- Helps to even out skin tone and achieve a more uniform skin tone.

Mandelic Acid

- Helps to suppress pigmentation and rejuvenate photo-aged skin.
- With its anti-bacterial activity, it is useful in treating inflammatory skin problems.

Phytic Acid

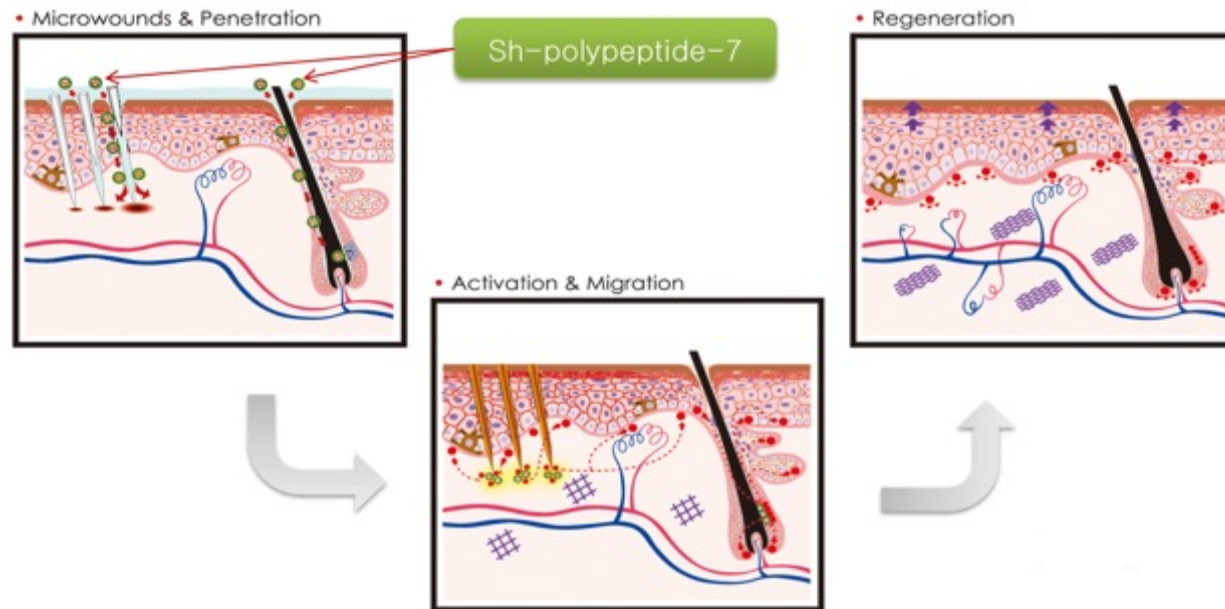

- Has anti-tyrosinase and anti-oxidant action and reduces the incidence of post-peel inflammatory reactions.
- Moisturizes skin, controls sebum and blocks the formation of melanin.

SKIN RENEWAL PEELING SYSTEM

Key Ingredients

“sh-Polypeptide-7”

It is a recombinant protein which has the same structure and function as human growth hormone which is the key hormone in body to stimulate tissue repair and encourage growth, cell production and regeneration. It is produced through microbial fermentation.

SKIN RENWAL PEELING SYSTEM

Key Ingredients

Scutellaria Baicalensis(Baikal skullcap) Root Extract

- Anti-inflammatory
- Anti-microbial
- Anti-fungal
- Anti-viral
- Anti-oxidant
- Free radical scavenging property

Chamomile extract

- Anti-viral
- Anti-bacterial
- Traditionally used to treat various types of infections and inflammations

SKIN RENEWAL PEELING SYSTEM

Protocol

1

- SRS peeling (20mins)
- GENOSYS POWER SOLUTION + GENOSYS Roller (0.5mm)
 - * Treatment interval: 2 weeks

2

- SRS peeling + GENOSYS Roller (0.25mm)
 - * Treatment interval: 2 weeks

3

- SRS peeling (20mins) & Removal
- Numbing cream
- GENOSYS POWER SOLUTION + GENOSYS Roller (1.5mm)
 - * Indication: acne scar
 - * Treatment interval: 5weeks

Fractional Peeling

STEP 5. POWER SOLUTION

[1 Box: 10 vials (2ml)]

POWER SOLUTION

Concept

GENOSYS POWER SOLUTION is formulated with specially chosen ingredients for GENOSYS microneedling treatment. One or two POWER SOLUTIONS can be applied during rolling. Cocktail method (mixing 2 solutions) can enhance the treatment effect.

Product Name	Size	Function
POWER SOLUTION HES	2ml x 10 vials	Hydrating, Firming
POWER SOLUTION AWS		Anti-wrinkle
POWER SOLUTION SWS		Anti-pigmentation
POWER SOLUTION PCS		Anti-acne & problem
POWER SOLUTION CTS		Scar & Wound healing
POWER SOLUTION CVS		Rejuvenation

Botanical Stem Cell Extract

Rosa Damascena Callus Culture Extract

- Excellent skin renewal effect
- Cure the skin inflammation and itching
- Similar effects to Vitamin A and C (such as anti-aging, wrinkle improvement and whitening)
- Promotes female hormones with skin relaxing effect
- Anti-virus and anti-allergy (histamine removal)
- Keeps the skin smooth, glossy and clean

Grape(Vitis Vinifera) Callus Culture Extract

Effects of Resveratrol

- Direct antioxidant effect which is more ten times than Vitamin C & E.
- Anti-inflammatory effect.
- Promotes the nitric oxide synthase (NOS) for anti-virus effect.

POWER SOLUTION

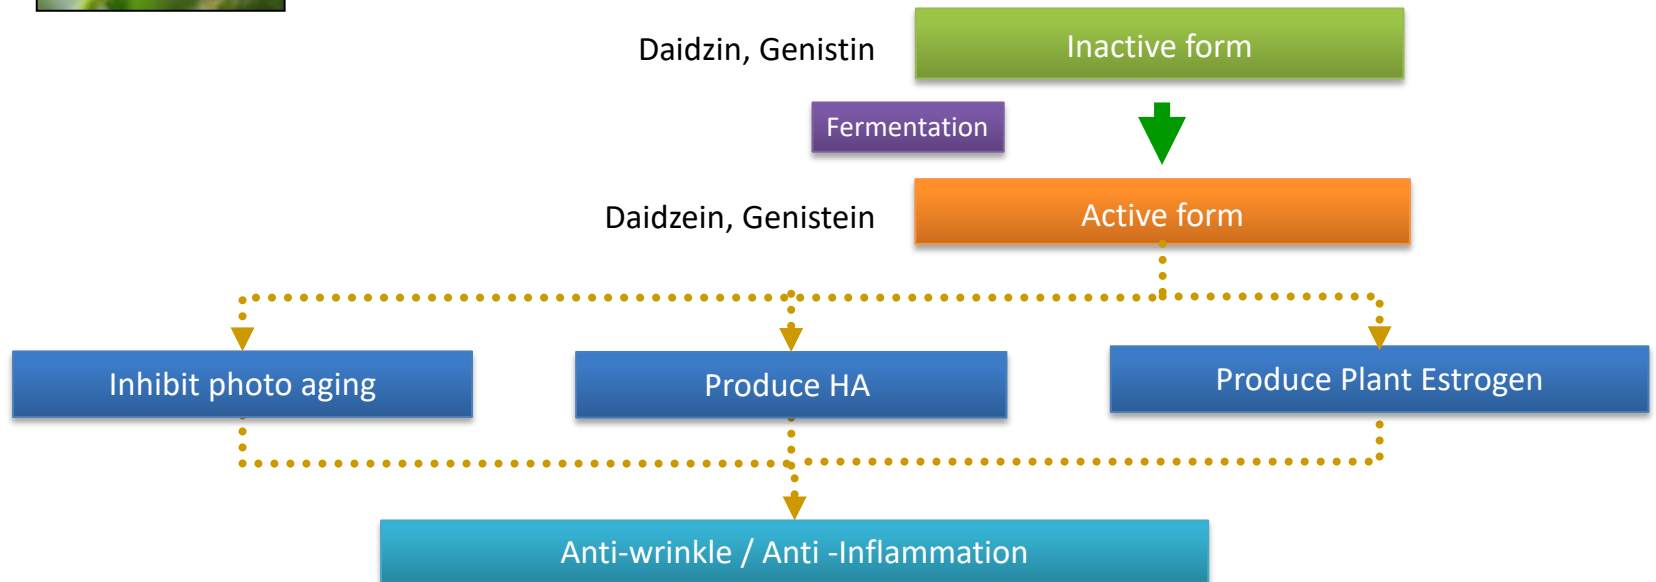

Fermented Soymilk Extract

INCI name : Lactobacillus/Soymilk Ferment Filtrate

Effect of Fermentation

- Protein, Lecithin, Amino acid, Isoflavone, GABA,
- Anti Bacteria effect
- Anti- inflammatory effect

POWER SOLUTION

POWER SOLUTION AWS

▪ Effect

- Eliminates appearance of lines and wrinkles
- Reduces the visible effects of aging
- Protects skin from future signs of aging
- Improves skin's firmness and elasticity

▪ Key Ingredient

- Adenosine
- sh-polypeptide-7
- Palmitoyl Tripeptide-1
- Copper Tripeptide-1
- Acetyl Hexapeptide-8
- Botanical Stem Cell Extracts
- Ceramide NP

POWER SOLUTION

POWER SOLUTION SWS

▪ Effect

- Highly enriched solution for brown spots and pigmentations
- Dramatically improves appearance of photo-damaged skin
- Protects skin from future signs of aging
- Diminishes and bleaches the appearance of age-spots

▪ Key Ingredient

- Aspergillus/Sacchromyces/Glyrrhiza Uralensis Root Extract Ferment Filtrate
- sh-polypeptide-7
- Palmitoyl Tripeptide-1
- Glycyrrhiza Glabra (Licorice) Root Extract
- Kojic Acid
- Scutellaria Baicalensis Root Extract
- Arbutin

POWER SOLUTION

POWER SOLUTION PCS

▪ Effect

- Controls excessive oil from the skin
- Helps heal and prevent skin breakouts
- Stops acne at the source
- Smooths and clears your skin.

▪ Key Ingredient

- Hamamelis Virginiana (Witch Hazel) Leaf Extract
- sh-polypeptide-7
- Palmitoyl Tripeptide-1
- Pinus Radiata Bark Extract
- Houttuynia Cordata(chameleon plant) Extract
- Camellia Sinensis Leaf Extract
- Botanical Stemcell Extracts
- Lactobacillus Ferment Lysate Filtrate

POWER SOLUTION

POWER SOLUTION CTS

■ Effect

- Stimulates tissue remodeling.
- Improves ace pore, acne scar and burn scar.
- Increases the elasticity and strength of the skin.
- Decreases the appearance of existing stretch marks.

■ Key Ingredient

- Collagen
- sh-polypeptide-7
- Copper Tripeptide-1
- Sodium Hyaluronate
- Palmitoyl Tripeptide-1
- Palmitoyl Hexapeptide-12
- Botanical Stemcell Extracts
- Lactobacillus/Soy milk Ferment Filtrate

POWER SOLUTION

POWER SOLUTION CVS

▪ Effect

- Supplies nutrients and minerals to the exhausted skin by external and internal environment
- Emollient, humectants, hydrates and nourishes skin
- Improves skin's moisture-binding capabilities
- Protects skin against moisture-loss

▪ Key Ingredient

- Lactobacillus/Soy milk Ferment Filtrate
- sh-polypeptide-7
- Beta-Glucan
- Sodium Hyaluronate
- Palmitoyl Tripeptide-1
- Allantoin
- Panthenol

POWER SOLUTION

POWER SOLUTION HES

▪ Effect

- Hydrates and firms skin (It is specially recommended after Thread treatment.)
- Reduces rosacea
- Reduces down the appearance of lines and wrinkles
- Reinforces the filling effect of hyaluronic acid

▪ Key Ingredient

- Sodium Hyaluronate
- sh-polypeptide-7
- Copper Tripeptide-1
- Palmitoyl Tripeptide-1
- Palmitoyl Tetrapeptide-7
- BIOPHYTEX™

STEP 6. PEPTIDE GEL MASK

[1 Box: 5 Packs (38g)]

PEPTIDE GEL MASK

Concept

- Developed for professionals. It calms and moisturizes the skin that went through various dermatologic operations like microneedling or laser surgery.
- Innovative technology called TCD (Transdermal Cosmetic Delivery) is applied so that its effective ingredients get active by skin temperature.
- Other calming ingredients quickly heal the damaged skin and improve the skin's self moisturizing ability.

Key Ingredients

- Acetyl Hexapeptide-8
- Sodium Hyaluronate
- Chamomilla Recutita (Matricaria) Flower Extract
- Arnica Montana Flower Extract
- Hydrolyzed Collagen

PEPTIDE GEL MASK

Mechanism – Thermo-sensitive Hydrogel System

When the mask is applied to the skin, the temperature rises due to body temperature and the hydrogel composition is changed into a fluid state, so that the adhesion to the skin is improved, and the effective ingredients are rapidly delivered in to the skin. And laminate processing prevents evaporation of gel, maximizing 'Transdermal Delivery'.

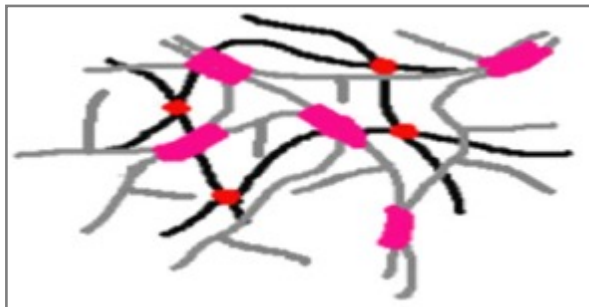

PEPTIDE GEL MASK

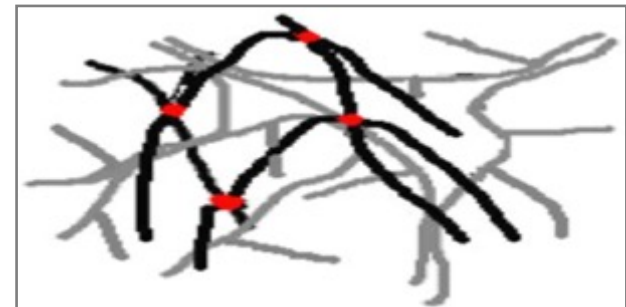

Mechanism – Thermo-sensitive Hydrogel System

Body heat will add to the flux of the hydro-gel, transforming it to a liquid. Hydro-gel is formed by two gel type Polymers.

- Figure (A) shows the physical bonds of branched polymers and electrical bonds of electrolyte gel polymers that exist in a gel state.
- Figure (B) shows only the electrical bonds that exist in a fluid state, as the physical bonds break-up with heat

(A) Gel state of the polymers

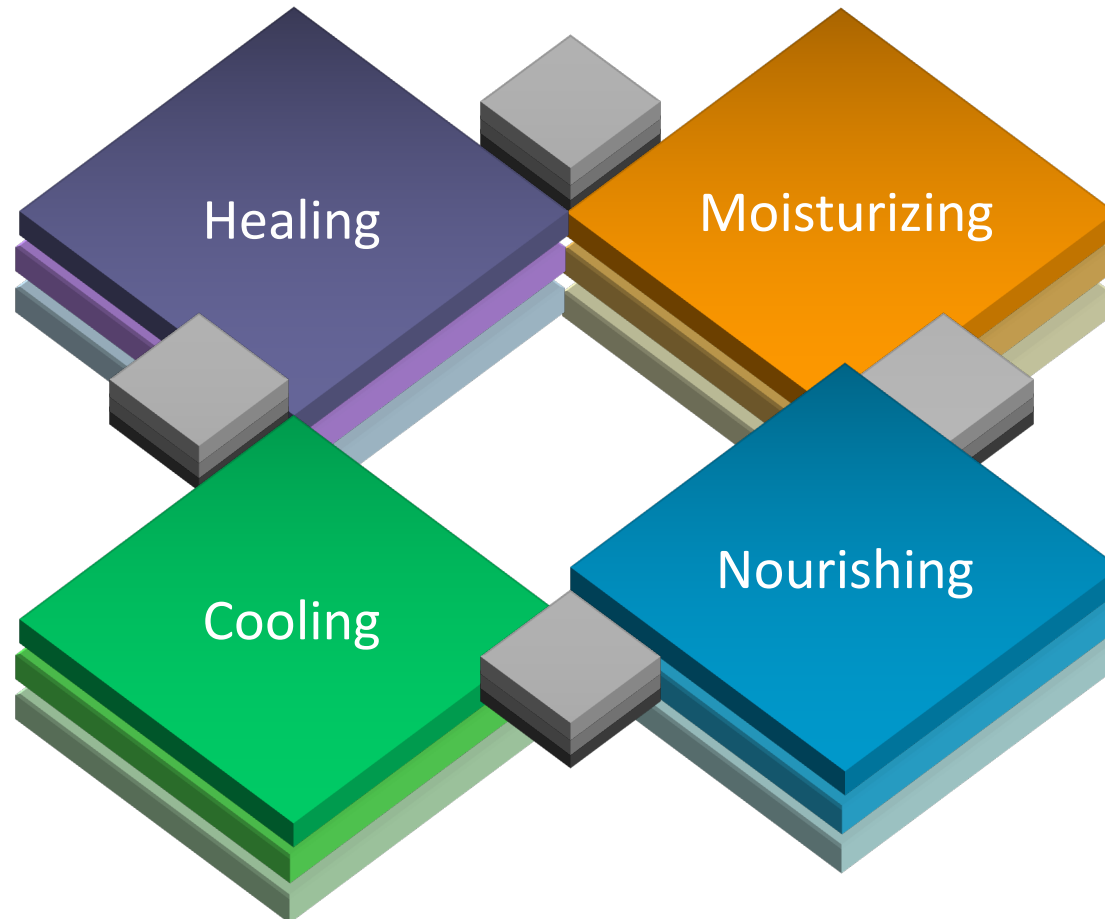

(B) Fluid state of the polymers

[Hydrogel polymers measured at various temperatures]

PEPTIDE GEL MASK

Effects

PEPTIDE GEL MASK

How to Use

1. After cleansing, prepare skin with GENOSYS SNOW BOOSTER.
2. Open the pouch and remove the transparent film from the mask sheet.
3. Apply the mask closely to the face and leave it for 20~40 minutes.
4. Remove the mask and massage

*** Peptide Gel Mask can be applied under the GENO-LED IR II.**

The penetration of light energy can be slightly reduced but the light can still pass through the mask and the synergy effect is greater.

[PEPTIDE GEL MASK + GENO-LED IR II > 2 in 1 post treatment]

PEPTIDE GEL MASK

Application

- Microneedling
- Laser / IPL / RF
- Peeling / Medical Care
- Home care

Step 6 (optional). SOOTHING BOMB SEA ALGAE MASK

[Homecare - 1 Box: 10 packs (25g)]

Professional - NET WT. 500ml]

SOOTHING BOMB SEA ALGAE MASK

Concept

GENOSYS Soothing Bomb Sea Algae Mask provides intensive relief to the skin and moisturizes skin with sea algae complex and centella asiatica extract.

[NET WT. 25g]

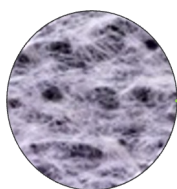

* The product does not include any artificial pigment.

- ☒ Soothing
- ☒ Cooling
- ☒ Moisturizing
- ☒ Firming

SOOTHING BOMB SEA ALGAE MASK

Eucalace® sheet

Spunlace nonwoven sheet

- 1) Excellent air permeability compared to other nonwovens
 - Breathable for skin
 - Prevents hypersensitivity
- 2) There is no chemical residue as the surface of the fabric is clean and soft.
 - Not irritating

High absorption & High transmission

It is finer than general fibers and has a higher fiber count than other nonwovens with the same area.
→ Delivers more essence to the skin

High adhesive transparent sheet

→ Suitable for all face shapes

Made of Eucalyptus

→ Natural & Eco-friendly

SOOTHING BOMB SEA ALGAE MASK

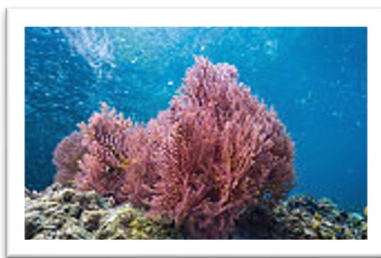

How to Use

1. After cleansing, prepare skin with GENOSYS SNOW BOOSTER.
2. Apply the mask closely to the face and leave on for 15-20 minutes.
3. Gently pat to absorb the remaining essence.

SOOTHING BOMB SEA ALGAE MASK

Jania Rubens(coral weed) Extract

- Ultra-moisturizing and prevents moisture loss
- Saponins and flavonoids help to soothe the skin
- Enriched minerals protect the skin.

Undaria Pinnatifida(seaweed) Extract

- Antioxidant effect from its polyphenols
- Hydrating and soothing effects
- Anti-inflammatory effect
- Detoxifying property

SOOTHING BOMB SEA ALGAE MASK

Centella Asiatica Extract

- Wound healing effect
- Antioxidation effect
- It promotes collagen synthesis.

Bambusa Vulgaris Extract

- Highly concentrated with silica, it promotes biosynthesis of collagen production and tightens the skin.
- It strengthens skin's moisture barrier.
- Enriched with nutrients such as amino acids and flavonoids, it protects the skin from oxidative stress.

SOOTHING BOMB SEA ALGAE MASK

Hamamelis Virginiana Leaf Extract

- Witch hazel leaf extract
- Anti-inflammatory effect
- Antioxidation effect by tannins
- It helps minimize the look of enlarged pores.

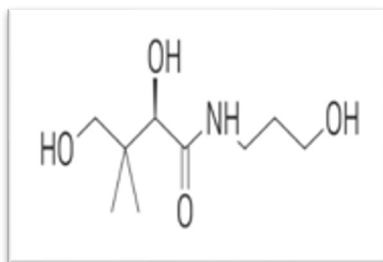

Castanea Crenata Shell Extract

- Sebum controlling
- Pore tightening
- Antioxidation effect
- Skin brightening activity by inhibition of tyrosinase

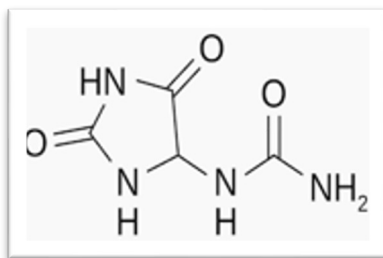

SOOTHING BOMB SEA ALGAE MASK

C Panthenol

- Provitamin B5
- It provides deep penetrating moisture to skin.
- It reduces itching and inflammation of skin.

Allantoin

- It soothes skin with excellent anti-inflammatory and anti-irritant properties.
- It increases the water content of skins' extracellular matrix.
- It exfoliates dead skin cells, resulting in a cleanser, brighter complexion.

STEP 7. SOOTHING REPAIR POSTCREAM

[NET WT. 20g]

[NET WT. 100g]

SOOTHING REPAIR POSTCREAM

Concept

GENOSYS SOOTHING REPAIR POSTCREAM is a regenerating cream that promotes skin recovery after professional treatment. It helps irritated skin rapidly recover from redness, erythema and edema after the dermatological operations or any other irritations and promotes healthy rejuvenation.

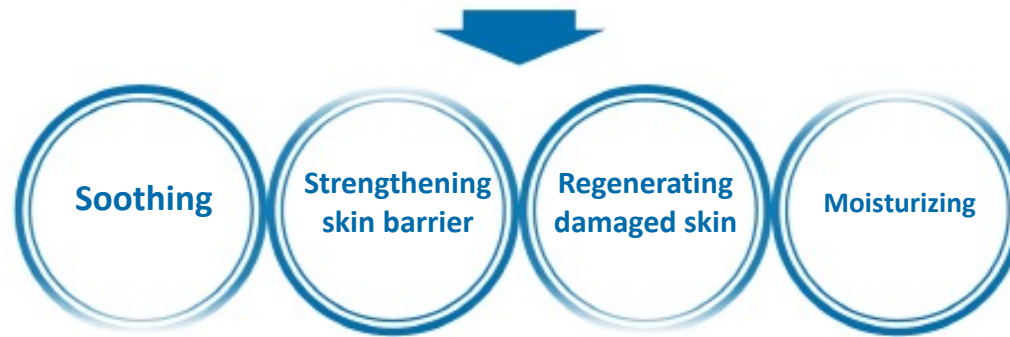

- A finishing cream of invasive medical aesthetic treatments
- Sh-Polypeptide-7 rapidly penetrates deep into skin and activates potential inactive stem cells
- Excellent effect in anti-inflammation and anti-oxidation
- Helps fast restoration of damaged skin tissue
- Helps irritated skin rapidly recover from redness, erythema and edema after treatment

SOOTHING REPAIR POSTCREAM

Indications

- Irritated skin after invasive medical aesthetic treatments
- Weakened skin barrier due to the external stimulation
- Dry and sensitive skin

SOOTHING REPAIR POSTCREAM

Key Ingredients

Sh-polypeptide-7

- Delivered effectively in the skin and activates the stem cell.
- Multi-potent stem cells can supply new cells for the skin epidermis.

Components of Centella Asiatica Extract

- Asiaticoside, Madecassic Acid, Asiatic Acid
- Soothes the weakened skin and strengthens skin tissues.
- Promotes blood circulation.

Sodium Hyaluronate

- Hyaluronic acid results in increased smoothness, softening and decreased wrinkles.
- Offers an excellent environment for the growth of new cells and healing.

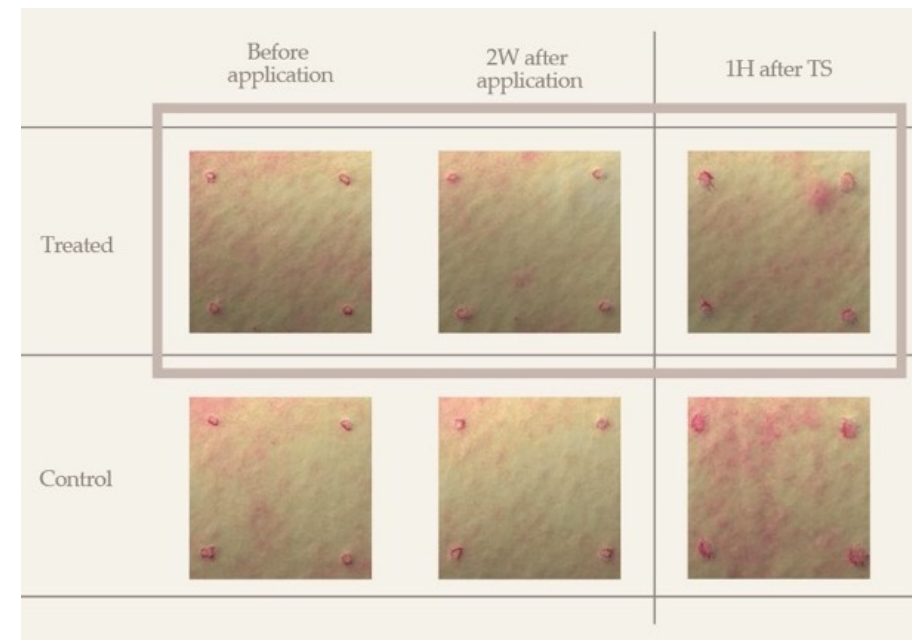

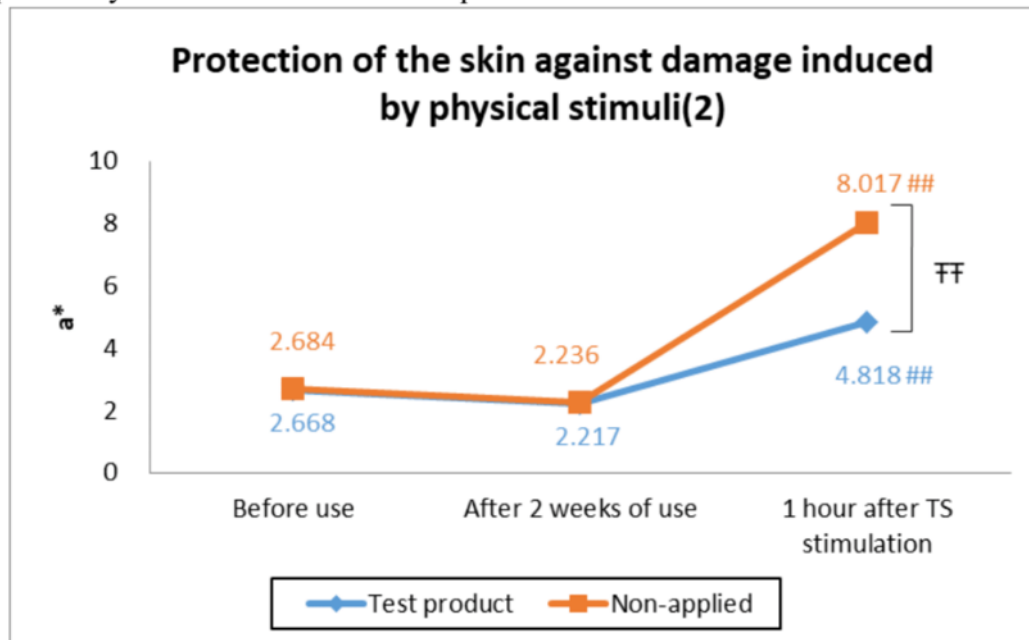

Dipotassium Glycyrrhizate

- Derived from the licorice root, this active agent is an anti-inflammatory that inhibits release of histamine while slowing the arachidonic acid cascade associated with inflammation.

Scutellaria Baicalensis Root Extract

- Has anti-inflammatory, anti-oxidant, anti-microbial, anti-fungal, anti-viral and free radical scavenging properties.

Clinical Trial Data

Compared to non-applied area, the value showed no significant difference after 2 weeks of use compared to before use, but showed a significant difference 1 hour after TS stimulation compared to after 2 weeks of use

After

- Number of applications a day : 4
- What was the cause of the issue? Wrong microneedling treatment
- Any other product used with SRP? no

STEP 8-1. MULTI SUN CREAM

[NET WT. 40g]

MULTI SUN CREAM

Concept

GENOSYS MULTI SUN CREAM is a non-greasy mild sun screen that protects skin from UV A & B rays, and soothes the irritated skin.

NET WT. 50g

- For daily sun protection
- Light weight and moist texture without heavy look
- Skin glowing effect
- Soothing the skin irritated by sun rays

MULTI SUN CREAM

Botanical Stem Cell Extracts

- Rosa Damascena Callus Culture Extract, Vitis Vinifera (Grape) Callus Culture Extract
- They have anti-virus, anti-allergy, antioxidant effects.
- They help cure the skin inflammation and itching.

Centella Asiatica Extract

- With excellent wound healing and skin regeneration effects, it soothes the weakened skin and strengthens the tissues.
- It promotes blood circulation.

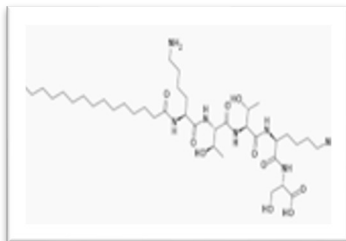

MULTI SUN CREAM

Scutellaria Baicalensis Root Extract

- It has anti-inflammatory, anti-oxidant, anti-microbial, anti-fungal, antiviral and free radical scavenging properties.

Palmitoyl Pentapeptide-4

- It improves photoaging by making skin cells healthy after UV damages.

STEP 8-2. ULTRA SHIELD SUN CREAM

[NET WT. 50g]

ULTRA SHIELD SUN CREAM

Concept

GENOSYS ULTRA SHIELD SUN CREAM strongly defends skin against UV rays, and calms down the skin with ultra-low molecular weight hyaluronic acid and soothing ingredients.

[NET WT. 50g]

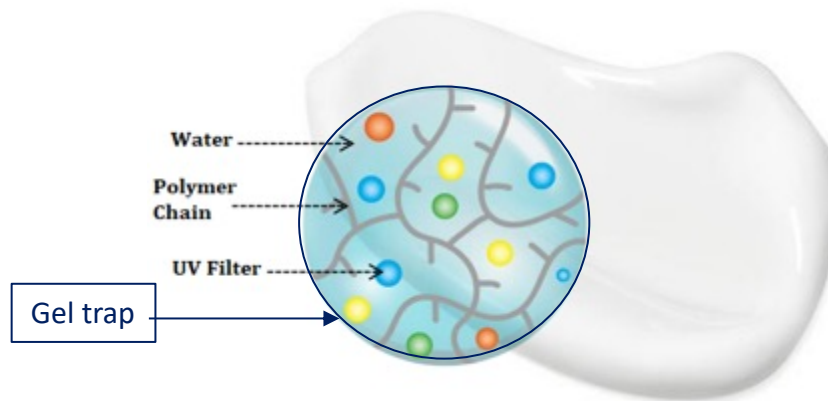

- Highly protective sun screen with sun protection factor of SPF50+ PA++++.
- Hybrid sun screen
 - Chemical: Terephthalylidene Dicamphor Sulfonic Acid, Homosalate, Ethylhexyl Salicylate, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, Ethylhexyl Triazone
 - Mineral: Titanium Dioxide
- Prevents skin damage caused by sun exposure
- Promotes skin recovery from the damage caused by sun exposure
- Soothes and improves sunburn
- Reef-safe: not containing harmful ingredients that affect coral bleaching → Suitable for swimming and marine sports

ULTRA SHIELD SUN CREAM

Base Formula

Moist Gel Trap Method

- Polymer chains compose gel trap and ingredients are stabilized in it.
- Silky, non-greasy formula, without eye irritation

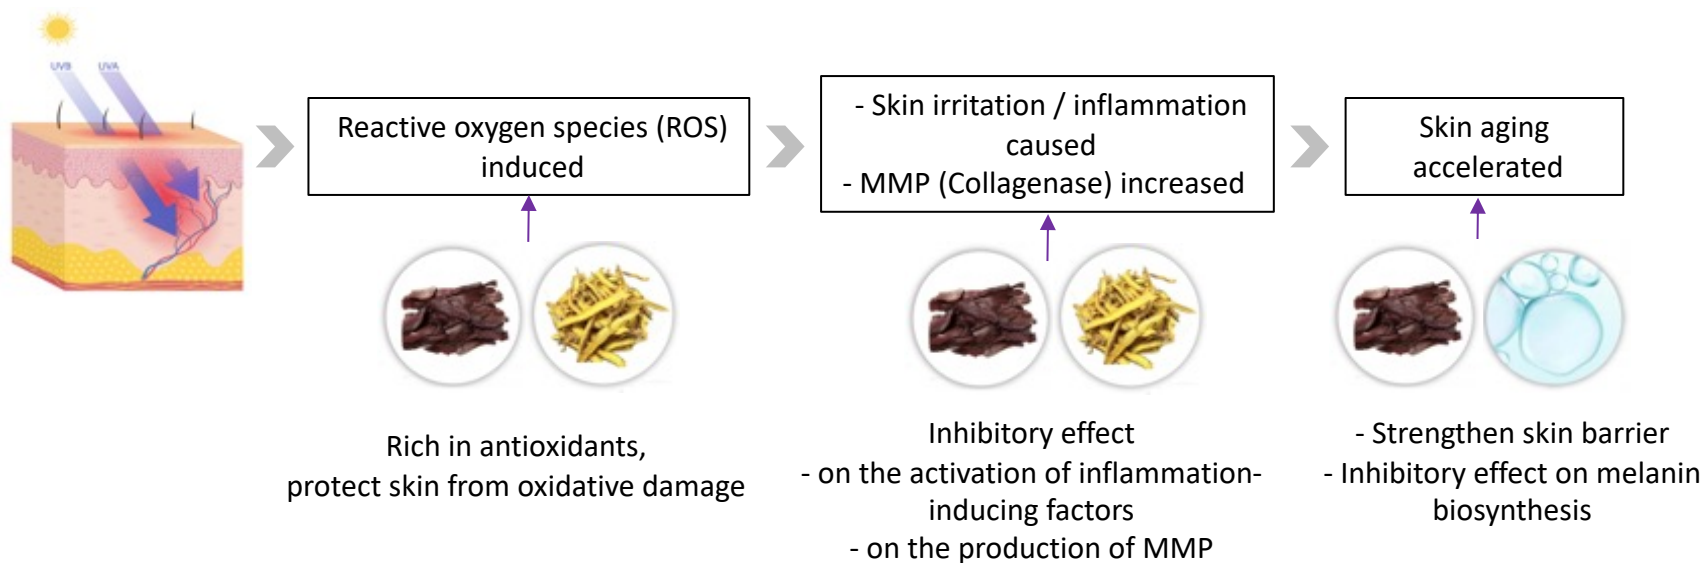

ULTRA SHIELD SUN CREAM

Sunburn Care Complex

- Special complex to improve sunburn

-  Lithospermum Erythrorhizon Root Extract
-  Scutellaria Baicalensis Root Extract
-  Ceramide NP

ULTRA SHIELD SUN CREAM

MicroHA™

- Hydrolyzed Sodium Hyaluronate
- Ultra-low molecular weight hyaluronic acid that can quickly penetrate skin
- It helps scavenge free radicals by UV rays, reduce inflammation factor activity, and repair damaged skin cells.

ProbioMETA™

- Lactobacillus Ferment
- Probiotic ingredient made by fermentation that strengthens skin's ability to defend itself from aggressors
- It helps improve rosacea and acne.

ULTRA SHIELD SUN CREAM

Tropical Antioxidant Complex

- Complex of tropical fruits
- Ananas Sativus (Pineapple) Fruit Extract: antioxidant-rich ingredient including vitamin C, anti-inflammatory, hydrating
- Carica Papaya (Papaya) Fruit Extract: antioxidant-rich ingredient including vitamin A, C and E, soothing
- Litchi Chinensis Fruit Extract: antioxidant-rich ingredient including flavonoids, anti-inflammatory
- Psidium Guajava Fruit Extract: antioxidant-rich ingredient including flavonoids, anti-inflammatory

STEP 9. INTENSIVE BLEMISH BALM CREAM

[NET WT. 50g]

INTENSIVE BLEMISH BALM CREAM

Concept

GENOSYS INTENSIVE BLEMISH BALM CREAM is a natural coverage cream that protects skin from the harmful environmental factors. It covers redness and blemishes after the dermatological treatment and helps express natural skin tone.

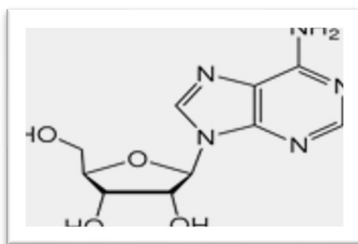

NET WT. 50g

- Coverage cream that can be used after the professional treatment
- Allows natural and glowing skin expression
- Protects skin from UV rays [SPF30 PA++]
- Naturally long-lasting base makeup

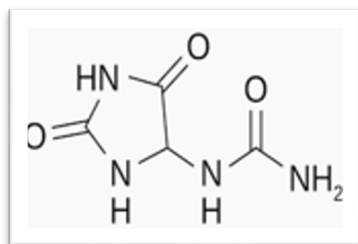

INTENSIVE BLEMISH BALM CREAM

Adenosine

- It improves wrinkles and firm skin by increasing collagen synthesis and stimulating fibroblasts in the skin.
- Anti-inflammatory effect

Allantoin

- It soothes skin with excellent anti-inflammatory and anti-irritant properties.
- It increases the water content of skins' extracellular matrix.
- It exfoliates dead skin cells, resulting in a cleanser, brighter complexion.

INTENSIVE BLEMISH BALM CREAM

Origanum Vulgare Leaf Extract

- With excellent anti-microbial and anti-inflammatory effects, it helps relieve a variety of skin ailment.
- Its rich antioxidant content slows down the process of natural degeneration of cells and tissues.

Phytolex SC

- Complex of herbal extracts - Phaseolus Radiatus Extract, Betula Platyphylla Japonica Bark, Rumex Crispus Root Extract
- It comfortably relieves skin irritation and inflammation.
